

If you do not select an option and do not submit purchase documentation, you may automatically be considered for an Option 1 Justice voucher. For Option 2, if the Claims Administrator is unable to validate that your documentation satisfies the requirements described above, you may be contacted to provide additional documentation. If your Option 2 documented purchases are less than the amount entered above, your check or voucher may be based on your documented purchases. If you do not provide minimal satisfactory purchase documentation for Option 2, you may be considered for an Option 1 cash payment or Justice voucher instead.
